Wednesday, November 19, 7pm – JW Marriott Miami, 1109 Brickell Ave, Miami Brickell

JW Marriott Miami hosted an intimate celebration launching the property's Artist Appreciation Program, a quarterly recognition of burgeoning artists whose work will be showcased in the hotel for locals and visitors alike to experience. The kick-off event welcomed the Pinta Art Fair to Miami for the very first time since its inception. Pinta Art Fair is the only curated boutique fair devoted to the art of Latin America, Spain and Portugal. The event also showcased two sculptures by famed artist Jimenez Deredia and served as a precursor event to upcoming Art Basel.
